

Emergence Magazine

Launched in Spring 2018, *Emergence Magazine* is an award-winning quarterly online publication with an annual print edition exploring the threads connecting ecology, culture, and spirituality. Its contributors include Sundance-winning and Emmy-nominated filmmakers, Pulitzer Prize finalists, Ted Prize winners, and a Poet Laureate. *Emergence Magazine's* inaugural print edition is a collection of essays, poems, adapted multimedia stories, and photo essays from our first four online issues. Tactile and intimate, the edition spans 296 color-filled pages and eight different textures of paper—inviting you to slow down and enjoy these stories over time.

“Beautifully creative and evocative.”

—Robin Wall Kimmerer, author of *Braiding Sweetgrass*

“Emergence Magazine is publishing some of the most formally as well as intellectually innovative work in terms of place, people, land, nature, and climate that is coming out at present. I’m a huge admirer of the way they go about things.”

—Robert Macfarlane, author of *Underland*

“Radically committed to enlivening the relationship between human beings and the more-than-human world, Emergence Magazine contains the kinds of stories we most need to hear.”

—Elizabeth Rush, 2019 Pulitzer Prize Finalist

“Emergence Magazine is an innovative, boundary-pushing, and beautifully designed multimedia publication that translates seamlessly into print. This volume, which I hope is the first of many to come, provides an ideal introduction to an endeavor that is consistently surprising, hopeful, and fully engaged with our world.”

—Stephen Sparks, owner of Point Reyes Books

“Emergence is an essential and exquisite addition to our way of seeing and honoring this extraordinary planet.”

—Camille Dungy, editor of *Black Nature: Four Centuries of African American Nature Poetry*
